Alma Mater

O! Pearl River College
We're loyal to you.

To our Alma Mater
We're faithful and true

You stand on the hill with
The tall swaying pines,

The symbol of all honor
You'll be through all times.

You stand for the highest
And we will uphold

Your standards and colors
Of maroon and gold,

And where e'er we wander
From these halls so dear,

The clear call of our college
We will always hear.

Dedication

Because he has worked for and with us, because he has given generously of his time and wisdom, because he has inspired and motivated us, words are a poor substitute with which to express our sincere respect and admiration for Garvin H. Johnston.

During the fifteen years that he served as President of Pearl River Junior College, Mr. Johnston worked with thousands of students and teachers. As these people went their separate ways, they carried with them a deep regard for the man who has done so much for so many.

Mr. Johnston's leadership, foresight, enthusiasm and tireless energy have been the primary factors in making Pearl River Junior College the dynamic institution that it is today. Since his arrival in 1953 the college has tripled both in enrollment and physical facilities.

Pearl River Junior College will always have a warm spot in its heart for Mr. Johnston; and we feel sure that the state of Mississippi will benefit, as we have, from his unselfish leadership in his new position as State Superintendent of Education.

In appreciation of his dedication, his leadership, and his ideals, The Annual Staff proudly dedicates the 1968 "Wildcat" to Garvin H. Johnston, President of Pearl River Junior College, 1953 to 1968.
